EOS Annual Congress 2023

We look forward to welcoming members and colleagues from around the world at the **Annual Congress in Oslo, Norway from the 11 to the 15 June 2023** under the Presidency of Vaska Vandevska-Radunovic.

More than 700 abstracts have been submitted on a number of areas of research and it promises to be an excellent congress, with a memorable scientific and social programme.

Visit the website for more information: [click here](#).

Please **register by the 3 April to benefit from the early bird registrations fees**.

Please also note that the Congress will only be held in person and virtual attendance will not be possible.

EOS Webinar Programme

Our series of online teaching continues with the next webinar series in May, organised in association with the European Journal of Orthodontics.

The webinar series is titled: '**The EJO aligner battle – evidence, clinical considerations and individual perspectives**' and will comprise of three 30-minute pre-recorded lectures by only-aligner user Nikhilesh Vaid (India), no-aligner user Dirk Wiechmann (Germany) and hybrid aligner user Björn Ludwig (Germany).

Those attending the Congress in Oslo will be able to attend an in-person debate with the speakers at the EJO Open Session at lunchtime on Wednesday 14 June.

For more information about the webinar programme, [click here](#). The next webinar series in autumn will be announced in due course.

The Distinguished Teacher Award 2023

The Distinguished Teacher lecture was given by Professor Ambra Michelotti (Italy) online on the 10 February 2023, on 'How to handle TMD patients in Orthodontics'. The lecture was attended by 420 postgraduate students from over 50 Countries.

Ambra Michelotti,
2023 Distinguished Teacher
