EOS President's Webinar

We are delighted to be holding our first EOS President's webinar on Friday 17th November from 18:00 – 19:30 CET. Entitled “**The Management of Impacted Teeth**”, the webinar is live now with three pre-recorded videos to view from our speakers, Ewa Czochrowska, Stella Chaushu and Julia Naoumova. [Click here](#) to view more information on the session and register!

EOS Congress – Athens, Greece

We are delighted to inform you that the 99th EOS congress will take place in Athens, Greece from the 9th – 13th June 2024 under the Presidency of Demetrios Halazonetis.

This year's keynote speakers will provide an excellent scientific and clinical update on topics of their choice. This will include the Sheldon Friel lecturer Professor Athanasios Athanasiou. Registration will be open from early December.

EOS Research grants

Grants were awarded for 2024 to Aman Ulhaq, Edinburgh Dental Institute, UK, on “Effectiveness of a remote monitoring application in Twin Block appliance treatment: A randomised controlled trial” and Nikolaos Gkantidis, University of Bern, Switzerland on “Effect of anterior tooth positional changes on the perioral soft tissue morphology.”

W J B HOUSTON Memorial Research Scholarship

The Scholarship for 2024 was awarded to Alexandros Papagiannis, University of Helsinki, Finland on, “The role of Wnt signalling regulator Sclerostin in orthodontic tooth movement and retention”.

Grants (up to £20,000) will be available and members are encouraged to prepare applications. The deadline for submissions will be 1st January 2024.

Lingual Award

Applications are open for this award, up to the value of £50,000. Please contact the EOS office for details admin@eoseurope.org.

Membership

Members are reminded that all subscriptions must be renewed online. We kindly ask that you make sure your email address is up to date on the website as the annual subscription will only be sent via a computer-generated email. Please note if the subscription is not paid on time, your membership will be suspended. Re-registration will cost an additional £20 on top of the subscription.

An up-to-date email address is also necessary to receive future editions of the Newsletter. The Newsletter will also be available on the website.

Honorary Treasurer Position

We welcome Aman Ulhaq who will take up the post of Honorary Treasurer. The outgoing Treasurer Fraser McDonald will shadow Aman for as long as required, this is due to the ever-growing complexities of running a charitable organization.

New Council member

One position is available on Council. Applications for the post must be received at the EOS office by the 31st December 2023. All proposals must be accompanied by letters of support from four active members of the Society, one from a member in the nominee's own country and three from active members in three different European countries. The nomination must be signed by the nominee and include a brief curriculum vitae.

Aman Ulhaq
Honorary Treasurer

Future Congresses

Dr Jasmina Primožič will hold the congress in Slovenia in 2030. Applications to hold the congress in 2031 will be advertised later next year.

European Journal of Orthodontics

We realize the change to online publication is moving, along with other scientific journals, to a more contemporary structure to support the publication of high-quality scientific papers. However, this will have an impact in the current funding model and there is close liaison with Oxford University Press analyzing usage of the journal. This will be an ongoing matter for future review.

Deaths

It is with sadness that we have to announce the deaths of the following: Franc Farčnik (Slovenia) and Hans Pancherz (Germany).
