100th EOS ANNUAL CONGRESS 2025

We look forward to welcoming members and colleagues from around the world as we mark the 100th anniversary of the **EOS Annual Congress in Krakow, Poland, from 2-6 June**, under the Presidency of **Professor Piotr Fudalej**.

Please **register by 6 April** to benefit from the early bird registrations fees.

This year, you can expect an unparalleled blend of science, networking, and culture, with special initiatives designed for this special occasion:

- **Two parallel session streams** with 18 keynote lectures and 72 oral presentations on alveolar bone regeneration, clinical orthodontics, aligners, interdisciplinary treatment of complex problems, and more
- **Over 600 scientific and clinical e-posters**, with the introduction of a selection of 20 flash poster presentations in the main auditorium
- A wide **exhibition** with over 50 companies showcasing cutting-edge orthodontic products and technologies
- An **unforgettable networking programme** set against the stunning backdrop of this city rich in history, culture, and natural beauty - easily accessible from across Europe.

THE EUROPEAN ORTHODONTIC PODCAST

We are delighted with the release, in January, of the first four episodes of the new [European Orthodontic Podcast](#), available on **Spotify**, which have already been downloaded by over 1,900 users around the world.

Hosted by EOS President-Elect for 2026, Finn Geoghegan (Ireland), this new podcast series dives into the latest innovations, evidence-based practices, and inspiring stories from leading orthodontists across Europe.

New episodes will be released soon – make sure to subscribe to the podcast on Spotify so you do not miss new releases!

EUROPEAN JOURNAL OF ORTHODONTICS

We would like to remind members that **the journal is only available in digital version** since 2024.

Your membership includes a **free subscription** to the EJO. You can access all past issues from your Member's Area.

THE DISTINGUISHED TEACHER AWARD

The Distinguished Teacher lecture was given by **Professor Martyn Cobourne (UK)** on

"Starting earlier to make life easier? What does the evidence say about early interceptive treatment in orthodontics?".

The live lecture took place on 28 February 2025, with 330 registrations.

EDUCATION LIBRARY – SUBMIT YOUR CONTENT PROPOSAL!

We are pleased to announce that we will be launching a **comprehensive online Education Library** for EOS members in June.

The Education Library will offer EOS members an easily accessible platform to find videos from past EOS congresses (2022 onwards) and webinars, podcasts, useful links, documents, past congress photos – and more!

To drive this forward, the EOS is forming a new Education Committee, which will be presented in Krakow.

This initiative is for you – our members – so we do want to hear from you to provide the valuable and relevant educational material you need. You can [submit your content proposal here](#). If your proposal is accepted, we will be in touch to discuss the next steps for inclusion in the Education Library.
