### EOS Congress 2022

We are delighted that the [Congress of the European Orthodontic Society \(EOS\)](#) in 2022 will take place in Limassol, Cyprus from the 31 May to the 3 June under the presidency of Chris Laspos. The topics for the Congress are: new technologies, multidisciplinary treatment and free topics.

The keynote speakers include the Sheldon Friel lecturer, Christos Katsaros.

### Submissions for Abstracts and Houston Research Awards

To submit an abstract for oral or poster presentation on one of the congress topics, and to apply for the Houston Research Awards, [click here](#).  
**The deadline is 13 December 2021.**

### EOS Virtual Programme

Our series of online teaching in the form of webinars will continue for 2022. To encourage attendance in Limassol, we have decided not to livestream this event in full. Following the congress, some of the content may be made available to members of the Society, circumstances permitting.

The updated list of upcoming quarterly webinars is available on the website: <https://eoseurope.org/quarterly-programme/>

### Distinguished Teacher Lecture

The distinguished teacher for 2022 is Stavros Kiliaridis. The lecture is free for postgraduate students only. The lecture is titled "The challenge of anterior open bite" and will be livestreamed on Friday 18 March, 14:00-18:00 CET. More information on how to register will be published soon.

### New Website and Members' Area

The members' area of the website is now open. It would be helpful if members could check and update their profiles after they have been provided with their new login details.

The annual subscription, which should be paid online, will shortly be due for most members, who will receive computer generated reminders. If not paid on time, membership will be automatically suspended and an administration fee of £20 will be payable in addition to the subscription.

### Membership Survey

We want to support you as best as we can and your feedback is instrumental to identifying what is working well and any areas for improvement. Please [click here](#) to fill out the Membership Survey **by 5 December 2021**. The survey will take approximately 10 minutes.

### GRANTS AND AWARDS

#### W J B Houston Scholarship

This scholarship is now available for junior EOS members, up to a maximum of £90,000.00 - i.e. £30,000.00 per annum (or the equivalent in Euros) - payable for a period of three years.

#### EOS Research Grants

The EOS is pleased to announce that sums between £5,000.00 and £20,000.00 (or the equivalent in Euros) are now available to members for research.

NB: For the Houston Scholarship and EOS grants, applicants must have been a member of the EOS for a minimum period of two consecutive years at the date of application in order to apply.

#### Lingual Award

We have great pleasure in announcing a new award sponsored by DW Lingualtechnik that will be available at the end of 2021. The award is for €500,000.00 (€50,000.00 per annum for a period of 10 years). The award is available for either a prospective research project involving lingual orthodontics or articles already published in relevant orthodontic journals. In the latter case the prize will be for the best three papers. Applications are invited from both EOS members and non-members.

#### Councillors – Call for Applications

The period of office of the three present EOS Councillors, Ivo Marek, Pertti Pirtiniemi and Andreu Puigdollers, will expire in June 2022. Applications are invited for these three positions from active members in European countries that will not be represented on Council after June 2022. All proposals must be accompanied by letters of support from four active members of the Society, one from a member in the nominee's own country and three from active members in three different European countries. The nomination must be signed by the nominee and include a brief curriculum vitae. In the event of there being more than three applications a ballot will be held.

#### President 2028 – Call for Applications

Applications are invited for the position of President for 2028 from active members in European countries. All proposals must be accompanied by letters of support from four active members of the Society, one from a member in the nominee's own country and three from active members in three different European countries.

The nomination must be signed by the nominee and include a brief Curriculum Vitae. In the event of there being more than one application a ballot will be held.

In the light of recent financial issues, those wishing to stand for President and organise a congress on behalf of the EOS must provide a financial bond of €50,000. This will be returned following a successful conference.

***The closing date for all applications is the 31 December 2021***

### European Journal of Orthodontics (EJO) Key Research Collection from the EJO

The editor, David Rice, and associate editors, Dirk Bister, Theodore Eliades, Lorenzo Franchi and Yijin Ren, invite you to explore a new special collection of key research from the EJO. Curated by the EJO editors, this collection includes innovative original articles and reviews. Key orthodontic research encompasses a range of articles from basic scientific experiments, technical studies to clinical trials and qualitative research from the patients' perspective.

All articles in this collection are [available to read for free online](#) until the end of the year or have been published open access.

### New Impact Factor

The EJO is pleased to announce that the journal's impact factor has increased to 3.075. Celebrate the journal's achievement with a freely available collection of highly cited articles. Enjoy the collection alongside the latest [Beni Solow Award-winning article](#). [Start reading](#).

### EBO

The EBO examination will take place virtually in 2022. The oral part of the examination will take place on Saturday 14 May 2022.

***The closing date to apply to sit the examination is the 31 December 2021.***

### NEBEOP

The President of NEBEOP, Guy Willems of Belgium, will join Council in January 2022 as a co-opted member for a term of office of two years.

### Deaths

We are sorry to have to report the deaths of two former Presidents of the EOS, Franco Magni and Hans-Peter Bantleon, who held conferences in Florence, Italy in 1984 and Vienna, Austria in 2006, respectively. We have also been notified of the deaths of Svein Alstad of Norway and Gerda Dijkstra of the Netherlands who were life members. We extend our sincere condolences to their families.
